

WELCOME TO NEW RIVER!

Come on in and look around a little. Take some time to ask some questions. If you'd like something to drink or eat, stop and pick that up as well. While you are here, relax. We hope you feel comfortable, accepted, engaged, and inspired.

WONDERING WHAT HAPPENS IN WORSHIP?

We usually start our time of worship together by singing. Don't know the songs? Don't worry. We didn't know them either at first. After we sing, one of our pastors will teach from the Bible. If you didn't bring a Bible with you, and you'd like to follow along, we'll project the scriptures so you can. After our time of teaching we usually sing another song or two. If there is anything we can help you with, please swing by our Information Desk in the Lobby. Our Mission is to lead people into a growing relationship with Jesus Christ.

WANT TO KNOW WHAT WE HAVE FOR KIDS?

Kidz Kove is for your **Preschool** aged children. It's a clean and secure environment where your children will be well taken care of and taught a practical and easy to understand lesson from the Bible.

River Kidz is for your **Elementary School** age children in grades K-5. Here your children will sing, play games, and learn the Bible from well trained leaders in small groups.

Middle School or High School, bring them on into worship with you. We have The Plunge for Middle School Students and The Well for High School Students on Sunday Nights. Be sure to check www.nrcc.net each week for specific dates, news, and info.

COMMUNITY GROUP QUESTIONS

Sermon Notes:
Joe Sangl
January 16th & 17th 2010

Large lined area for community group questions.

This weekend we will be taking a look at what God has to say about the resources He has blessed us with. We have been so blessed, and it is important that we manage our resources to the best of our ability according to His Word. This weekend's teaching will be filled with practical steps that we can all take to maximize what He has provided.

NEXT STEPS

1. This weekend's message was focused on bringing our financial resources in alignment with God's Word. There were three groups mentioned from Matthew 25:14-30 - (1) Those who managed well (five and two talent), (2) Those who managed poorly (one talent), and (3) Those who have spent it all and financed even more (not included in the story). Which group do you belong to?

2. Read 1 Timothy 6:3-19. As Christ-Followers, what are we commanded to "flee from"? What is the "life that is truly life"?

3. Read Proverbs 22:6 If you have children or grandchildren, are you teaching them to manage their finances according to God's Word? What have been the best biblical financial principles that you have seen at work in your life?

4. Why is it so easy to mismanage our financial resources? What is the next step you need to take to bring your finances into alignment with God's Word? Take steps to establish accountability so that you can be sure to take that step!
